MEETING ID: 905 253 2180
PASSCODE: DSATM

This week under DSATM Alma Connect Webinar Series - 2021 Mr. Ananth Vihari Gupta, an alumni from 2017-2019 Batch shared some tips and techniques to follow while exploring job opportunities and also while accepting them.

Ananath who is currently working as an Advanced Assistant at Ernst & Young slipped into nostalgia as he shared his experiences during the student life at DSATM. He reminisced the moments of joy and fun they had during Aavartan-2018 during which he coordinated the finance club activities with his team members.

He suggested his juniors to be clear about their pursuits and interests and channelise all their efforts in that direction to land in aspirational careers. He advised them to jar a few rejections before attending the interview for their dream job. As that would enable them to identify their strenghts and work on their

weaknesses and prepare themselves well when they actually attend the interview for their dream job. Around 63 students of MBA II and Iv Semester attended the webinar and benefitted from it. Prathap, Chandan and Bhargavi of MBA Semester-4 hosted the event and steered it with precision.

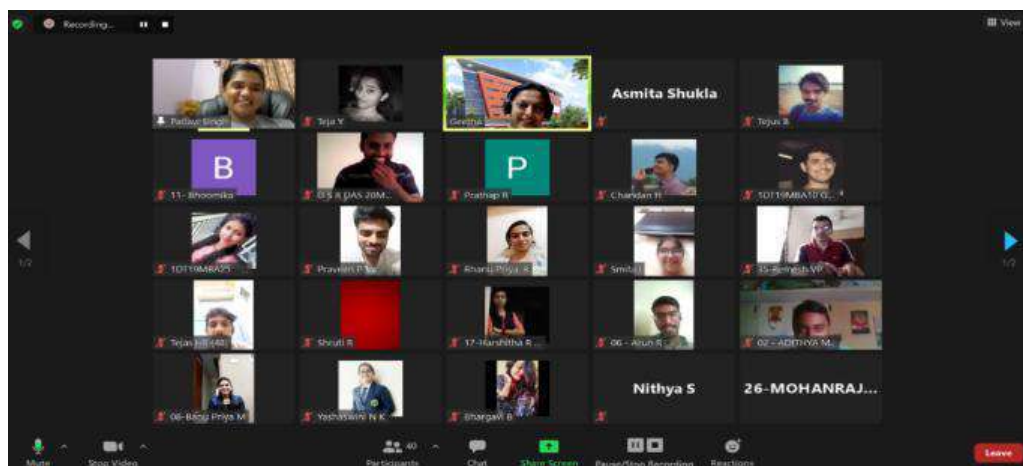

EVENT 02: DSATM-Alma Connect Webinar Series-2021, Personality Development: Self-Musing, By Pallavi Singh, Risk Analyst, E & Y, 15th May 2021(2:30 pm to 4:00 pm)

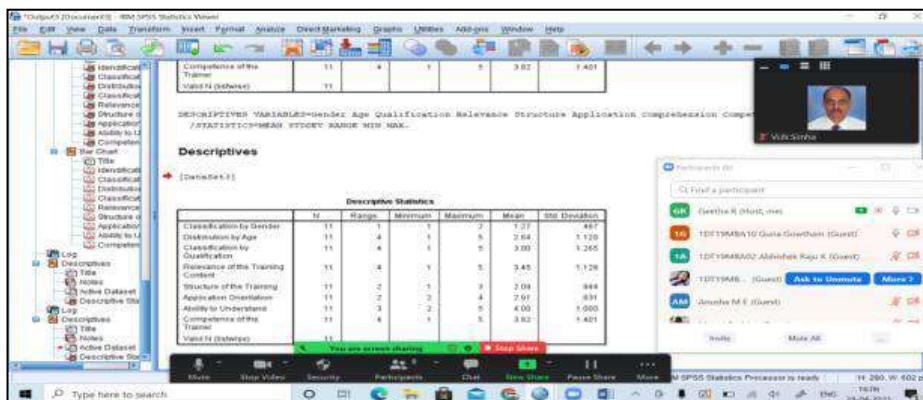

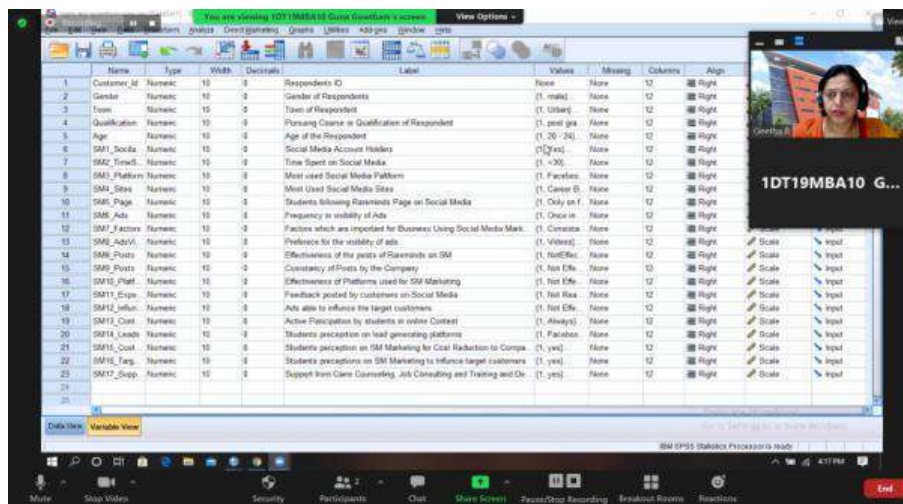

The poster features a portrait of Pallavi Singh on the left. The right side contains the following text: DAYANANDA SAGAR ACADEMY OF TECHNOLOGY AND MANAGEMENT, Udayapura, Kanakapura Road, Bangalore-560082, Alma Connect Webinar Series-2021, Department of Management Studies. Below this is the DSATM logo. The name Pallavi Singh is prominently displayed, followed by her title Risk Analyst, Ernst & Young, Batch: MBA (2015-17), Topic: Personality Development-Self Musing, Date: 15th May 2021, 14.30-15.30 Hrs, and Link: <https://bit.ly/3eJYM9K>. At the bottom right, the coordinators are listed as Tejay, Krishna Bhattad & Asmita Shukla, MBA IV Sem Students.

Alma Connect Club coordinators – Teja, Krishna Bhattad and Asmita Shukla of MBA Sem-4 had invited Ms. Pallavi Singh of MBA 2015-17 Batch to deliver webinar on Self-musing on Saturday the 15th of May 2021. Pallavi who is working as Risk Analyst at Ernst and Young had an interactive session with the participants and told them to believe in themselves as that would help them to conveniently overcome any kind of difficulties encountered in life. Self-belief acts as a driving force to keep energized and gives an ability to exude positivity, happiness and passion that leads to an enhanced mood and builds confidence. She said that self-reflection is an important aspect to develop one's personality. The session lasted for more than two hours though it was scheduled for an hour since the participants were engaged in interaction. The webinar was well-received by the participants.

EVENT 03: Certified Training in Data Science and Business Analytics using IBM –SPSS
(Research Cell), By Dr. Geetha R, Research Centre Head & HOD-MBA, DSATM
28th April to & 15th May, 2021

Research Centre of DSATM conducted a certification course in Data Science and Business Analytics using **IBM- SPSS**. This was done to enable the participants to use new age data processing and analytical tools and software applications to draw meaningful inferences and conclusions based on analytical insights. This course taught preparation of datasets, frequency distributions, descriptive statistics, reliability and validity, predictive modelling, hypothesis testing using parametric and non-parametric tests. They will learn to apply T-test, one way ANOVA, Chi-Square, Univariate and Multivariate analysis, Karl Pearson Correlation Analysis, Regression using SPSS statistics software.

Dr. Geetha R research, centre head, MBA Dept. imparted the training to students of MBA final year. The video recordings of the sessions are available for reinforcement of the concepts. This will help them to write and publish empirical papers, prepare project reports and solve real life business and societal problems with analytical insights. Through this certification they will be trained in diagnostic, descriptive and predictive analytics.

Event 5: Demo on Xcelerator Digital platform (Placement Cell-DSI), Facilitated by Mr. V L N Simha, Placement Coordinator, MBA- DSATM, 22nd May 2021(3:30 pm to 4:30 pm)

Objectives of the Program / Event

- To provide wider job opportunities to final year students of MBA
- To guide them choose specific sectors of industry for their career choice
- To help them focus on specific job roles as per their career preferences
- To instil confidence among student community in this pandemic era of COVID-19

Details about the event:

Xcelerator is a Digital platform, through which the students can post their resumes and expect to have wider choices of employment opportunities. This is a joint initiative of the Central placement team, spearheaded by Prof. Anant Pophali, Director - Corporate Relations (Management Schools) & Associate Professor, Dayananda Sagar University and Xcelerator, headed by Ms. Pushpanjali, assisted by Mr. Devendra, Executive Technical support.

This digital platform offers an account to the students to post and update their details under various sections and headings, which keep their resumes up to date. This basic service is not having any financial implications to the students. They also have access to many training programs which may be opted by the students depending on their requirements, which are charged individually.

The demo was organised to assist all the students from different PG courses in management across DSI institutions. There were totally 100+ participants out of which 31 students from DSATM had participated.
