

DAYANANDA SAGAR ACADEMY OF TECHNOLOGY & MANAGEMENT

(Affiliated to Visvesvaraya Technological University, Belagavi and Approved by AICTE, New Delhi)

(6 Branches CSE, ISE, ECE, EEE, ME& CE Accredited 3 years by NBA, New Delhi)

Opp. Art of Living, Udayapura, Kanakapura Road, Bangalore- 560082

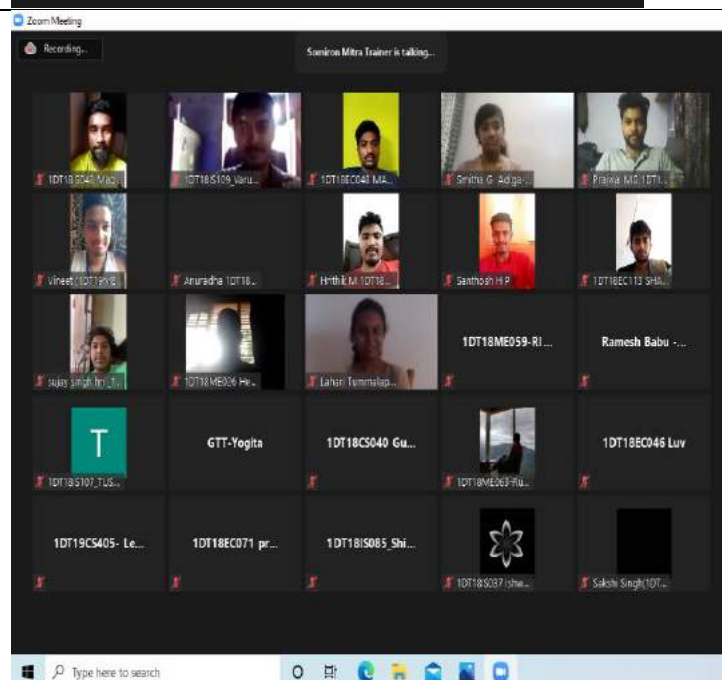

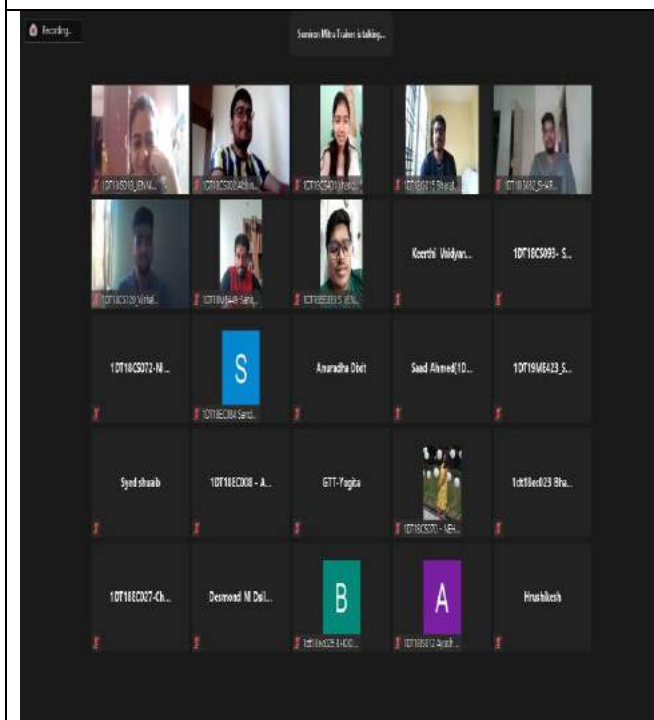

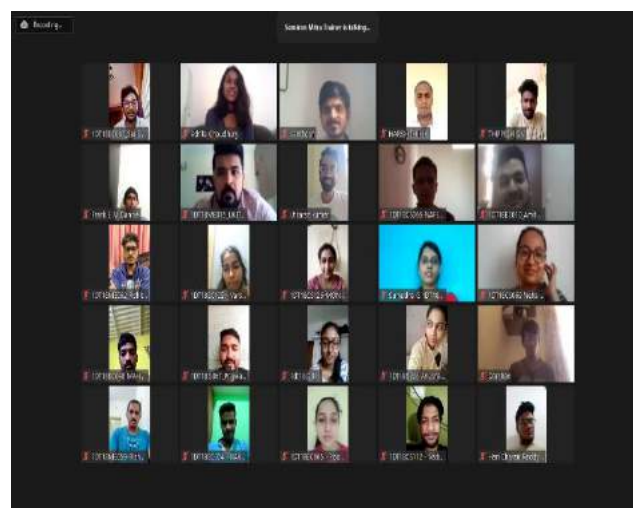

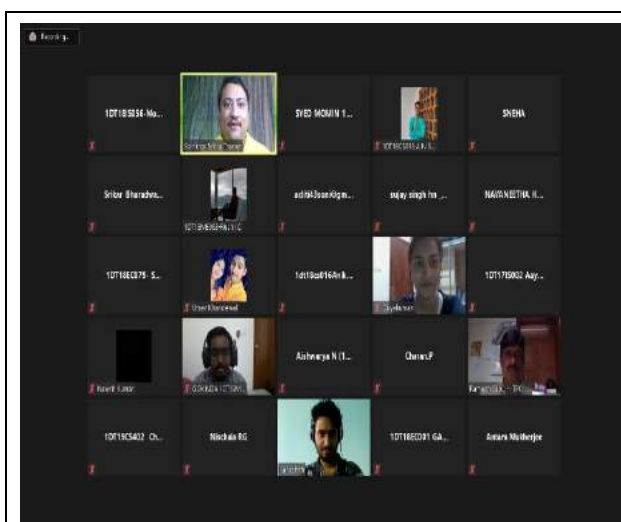

Department of Information Science

Event Name	PLACEMENT TRAINING
Theme	The primary objective of the placement training is to gradually equip the graduate engineering student with adequate, relevant and market ready skills.
Date	22-04-2021
Venue	Virtual

Objectives of the Program/ Event

- Introduction, Self-awareness, and Resume building
- Interview Skills
- Mock Interviews & Group Discussions

DAYANANDA SAGAR ACADEMY OF TECHNOLOGY & MANAGEMENT

(Affiliated to Visvesvaraya Technological University, Belagavi and Approved by AICTE, New Delhi)

(All Branches Accredited 3 years by NBA, New Delhi)

Opp. Art of Living, Udayapura, Kanakapura Road, Bangalore- 560082

Event Name	CAREER TRAINING AND PLACEMENT
Theme	Enhance the knowledge of student and motivate them to compete in the global competitive engineering field.

Objectives of the Program/ Event

- Career training enables students to be ready for planned career.
- There are several advantages of taking career training courses that will make it the better choice for the students.
- It helps students to have faster learning curve.
- Qualifications that will make students to have better prepared than a traditional graduate.

Purpose:

- To Develop and refine skills of students.
- To become a better communicator.
- Feel more engaged in your career.

About the Topic: It provides an opportunity to interrogate and scrutinise students about career plans.

Vision: Personal development planning or career training encompasses the importance of recording, reflection and planning in helping students to manage their learning and development in an efficient and effective way.

Identification and addressing the GAP: Adopting the current technologies and modern tools for designing and modelling engineering activities.

Measurable outcomes:

- Provide evidence of critical assessment of personal career development to students.
- Provide evidence of a career development plan linked to the requirements of professional engineering institutions, with a clear strategy for achieving personal goals
- Demonstrate an awareness of factors that might help or hinder personal development towards becoming a professional engineer
