

NSS UNIT-DSATM

A Report on National republic day held at DSATM on 26/01/23 organized by NSS-unit

1.	Name of the Activity	Celebrating National republic day		
2.	Date	26/01/23		
3.	Organized by	NSS-Unit, DSATM		
4.	Name of the Association	Physical Education department		
5.	Venue & Time	Student Activity center, DSATM		
6.	Event objectives	Main objectives is to give awreness about our history, culture, morals etc.		
7.	Participation	Students	Faculty	Total
		20	3	25
8.	Enclosures	<ul style="list-style-type: none">• Report• Photos		

Republic Day 2023: India to celebrate its 74th Republic Day on 26th January 2023. On this day, the Constitution of India was adopted in the year 1950. Republic Day is one of the most important National Holidays in India which is also known as Gantantra Diwas. 26th January 1950 makes the establishment of the Indian Constitution was prepared by the members of the Constituent Assembly which emerged after the brutal colonial past.

Republic Day makes the adoption of the Constitution of India. 26th January was announced as Republic Day because the Indian National Congress published the Purna Swaraj or Declaration of Indian Independence on 26th January 1930 rejecting the dominance of the British government. India gained its Independence on 15th August 1947 and after a few days, on 29th August a committee was established to draft a long-term Constitution for an Independent India.

The chairperson of the committee was Dr. B.R. Ambedkar. The constitution was drafted by the committee and delivered to the Constituent Assembly on 4th November 1947. The assembly conducted multiple sessions for two years before finalizing the draft. After several meetings and discussions, the 308 Assembly Members signed two handwritten copies one in Hindi and one in English on 24th January 1950. The constitution of India was adopted on 26th January 1950 and came into effect. On that day, Dr. Rajendra Prasad became the first President of India.

Keeping this aim in view, NSS-Team DSATM celebrated Republic Day 2023 in collaboration with the Physical education department for the students of DSATM.
